## COMPANY PROFILE

RESIDENTIAL | COMMERCIAL | INDUSTRIAL

## COMPANY BACKGROUND

Established in 1980, our company has had significant experience in the fieldwork covering : supply, design and build (Installation and maintenance) for Air Conditioning, Exhaust Fan, Insulation (heat/cold).

Putting responsibility above everything else, we have worked with the greatest care possible to our brand-holders' principles. The projects currently in progress are located in major Indonesia cities, such as Jakarta, Surabaya and Bali.

Presentation on each principle will be provided upon request and subject to time availability.

## OUR PARTNER

### AIR CONDITIONING

### EXHAUST FAN

Less Condensation & No Metal

## OUR PROJECT

AIR CONDITIONING  
CENTRAL SYSTEM

EXHAUST FAN

DUCTING
